DESCRIPTION

This PPE corresponds to a pullover-style windbreaker. It includes a roll-away hood and a pocket located on the centre at chest height with a flap that defines the yoke seam line. It fastens with a zipper on the front. The sleeves have interior windbreaker elastic cuffs and the garment includes a cord adjustable bottom for a closer fit.

AVAILABLE COLOURS: Navy blue / Fluorescent orange

AVAILABLE SIZES: P, M, G, E.

STANDARDS:

This garment complies with the requirement of REGULATION (EU) 2016/425, EN-ISO 13688:2013, EN 343:2003+A1:2007/AC:2009 for this PPE.
