The back is straight cut and is equipped with two reach-through pockets on the front with storm flaps that aesthetically define the waist on the front. The front fastens with a zipper and 6 mm wide placket that fastens with five snaps.

As per standard UNE EN ISO 20471:2013, this garment is equipped with two thermo-fixed 3M Scotchlite Bright Silver reflective bands around the torso and sleeves. The interior of the garment includes a zipper to insert a body warmer if necessary.
