DESCRIPTION

This PPE corresponds to a functional design anorak with quilted lining that fastens with a double slider zipper with placket to keep water out. The collar houses a cord adjustable roll-away hood and the waist also adjusts with a drawstring. It includes three large pockets: two are patch pockets on the front with storm flaps that fasten with 2 snaps. The third pocket is located on the inside at chest height with velcro flap closure. The sleeves have interior windbreaker elastic cuffs that adjust with velcro strips. This jacket's interior flaps, outer part of the collar, pocket piping, and pieces that conceal the adjustable cords are of a different colour than the rest of the garment.

AVAILABLE COLOURS: Blue / Red - Blue / Light blue

AVAILABLE SIZES: S, M, L, XL, XXL

STANDARDS:

This garment complies with the requirement of REGULATION (EU) 2016/425, EN-ISO 13688:2013, EN 343:2019 and EN 14058:2017 for this PPE.
