# Thermal top

ref. IS730

## FABRIC COMPOSITION

---

Fabric composition: 100 % Polipropylene

## DESCRIPTION

---

This PPE corresponds to a thermal top with elasticated knit cuffs that include a thumb slit that makes it easier to put on another garment on top. The back hem is slightly longer than the front to offer greater protection to the lumbar area when making sharp movements.

IS730

**AVAILABLE COLOURS:** Blue

---

**AVAILABLE SIZES:** P, M, G, E.

---

## STANDARDS:

---

This garment complies with the requirement of REGULATION (EU) 2016/425 and EN-ISO:13688:2013 for this PPE.
