Vest SH

ref. TYB099

FABRIC COMPOSITION

Fabric composition: 100% PE

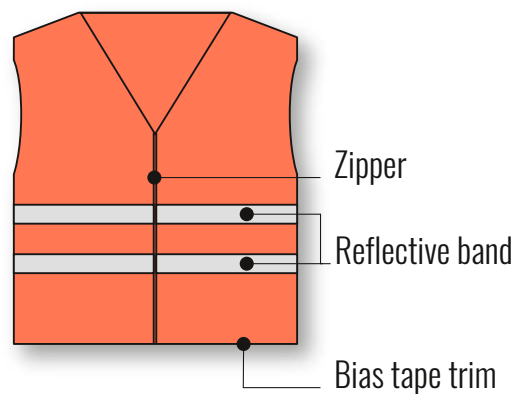

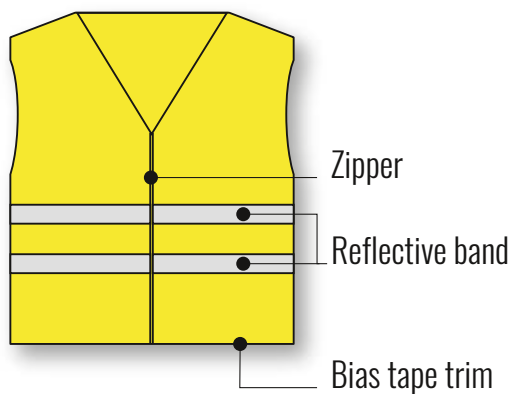

PARTS

Reflective material: 3M Scotchlite reflective bands
Front zipper: coil zip
Trim: polyester bias tape

DESCRIPTION

This PPE corresponds to a vest manufactured in fluorescent knit (Background material). For greater visibility both legs are equipped with two 50 mm wide 3M Scotchlite reflective bands (Retro-reflective material). The entire garment is trimmed with polyester bias tape. It fastens down the front with a coil zipper.

TYB099
